## MISSION PARTNER SPOTLIGHT

Our mission partner, [Family Promise of Tualatin Valley](#) helps equip vulnerable families to end the cycle of homelessness. Laurie Washburne and Michelle Lantow recently updated us on what this ministry means to those served. Click [HERE](#) to watch!

### How can you help and support this important ministry?

Family Promise is looking for small groups and families that can help grocery shop for the August 3rd food delivery. There are 16 families in the program, which totals 22 adults and 18 children. Volunteers will shop for a list of basic groceries that will feed one family for the week and also provide a note of encouragement. The volunteer will receive the food list by Friday, July 30, and the groceries will be picked up from the volunteer's home on Tuesday morning, August 3rd. Volunteers can get reimbursed from Family Promise for the groceries they purchase or they can take a tax deduction for their donation (a tax deduction form will also be provided.)

This is a great hands-on opportunity to support these deserving families. Email Laurie Washburne at [lauriewashburne@gmail.com](mailto:lauriewashburne@gmail.com) to get more details!
